Meredith Ryan is a cop, just like the author was in her former days, and thus the drama jumps off every page. I liked spending time with a woman who works in this risky arena, learning how she mixes her personal world with the constant threat of danger. . I think you will enjoy reading By Force or Fear. -Linda Loveland Reid is author of Touch of Magenta, Something in Stone, and Past president of Redwood Writers \*\* I really felt like I was riding along with them as they traveled across Mexico and the twists and turns in the plot were excellent .you hit some true values in law enforcement, commitment and dedication to see things through to a successful conclusion. Brian Masterson, Director, Rohnert Park Police and Fire Services Wow, Hevron s done it again!The story line is so believable it seasy to feel as if you re actually living in the novel.
