The World War and What Was Behind It; Or, the Story of the Map of Europe (WWI Centenary Series) (Paperback)

By Louis P Benezet

Last Post Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. This little volume is the result of the interest shown by pupils, teachers, and the general public in a series of talks on the causes of the great European war which were given by the author in the fall of 1914. The audiences were widely different in character. They included pupils of the sixth, seventh, and eighth grades, students in high school and normal school, teachers in the public schools, an association of business men, and a convention of boards of education. In every case, the same sentiment was voiced: If there were only some book which would give us these facts in simple language and illustrate them by maps and charts as you have done! After searching the market for a book of this sort without success, the author determined to put the subject of his talks into manuscript form. It has been his aim to write in a style which is well within the comprehension of the children in the upper grades and yet is not too juvenile for adult readers. The book...
