HITLER AND THE NAZI DARWINIAN WORLDVIEW: HOW THE NAZI EUGENIC CRUSADE FOR A SUPERIOR RACE CAUSED THE GREATEST HOLOCAUST IN WORLD HISTORY (PAPERBACK)

Sola Scriptura Ministries International, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book takes a fresh look at Germany's most influential Nazi leaders, examining their backgrounds, education and convictions. It provides compelling evidence that the rising influence of Darwinism, eugenics and race theory in early-twentieth century society set the foundation for the Nazi pursuit of engineering a German master race -and exterminating European Jews, Gypsies, Blacks, most Slavs and the Christian religion in the ensuing madness of the Holocaust of World War II. The effect of social Darwinism, eugenics and anti-Semitism, and their relative acceptance in the scientific and medical communities of Germany and many other countries worldwide, opened the door to mass murder, medical experimentation and military conquest. This title examines the roots of Nazi ideology and unmask the Darwinian survival of the fittest theory behind it.
