Brand New Book ***** Print on Demand *****.It is noticeable that every major conflict between nations for many centuries past has resulted in a greatly increased interest in the study of the prophetic Scriptures. When men see everything shaking to pieces which they have supposed to be firm and stable, it is not to be wondered at that they begin to inquire concerning those things which cannot be shaken, as set forth in God s Holy Word. Unfortunately, we are all creatures of limitations, and our thinking and our outlook are very likely to be bounded in great measure by the circumstances of the times in which our lot is cast. Thus there has ever been an inclination on the part of many students of prophecy to try to fit the events of which they themselves have cognizance into the prophetic picture as given in the Word. Ever since the Napoleonic wars, for instance, how many efforts have been made to identify certain outstanding characters as the Beast or the Antichrist, and how often have predictions been confidently made that events going on at a particular time were heading up to Armageddon and would bring within a very few months or years the end of the present age, the return of Christ, and the setting up of His Millennial Kingdom!.
