Shortly before school starts, Charlie Bumpers learns that he will have the strictest teacher in the whole school for fourth grade. It doesn't matter that she's been named Teacher of the Year. He's still afraid of her. Last year when he was horsing around in the hall, he accidentally hit her in the head with his sneaker (don't ask). How will he survive a year under a teacher who is just waiting for him to make another stupid mistake?.
