This second set of ESL textbooks comprises three books, Student Book, Practice Book and Teacher s Guide and introduces the alphabet from M to Z. Once the pages have been introduced the teacher has time to move about the room to help individuals or deal with other classroom needs. Students write, draw and color in the book. As the students progress, some children will learn to read the large print instructions while other will continue to rely on the teacher reading them orally. The teacher explains these orally as most of the students are not reading at this point. - Large print drawing instructions encourage reading for those who are ready. - Small print teacher instructions appear on some pages. - Teachers have opportunities to add additional tasks for children who finish before the others.
