## THE SAWTOOTH COMPLEX (PAPERBACK)

Dark Oak Mysteries, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Sawtooth Complex is a fascinating novel that deals vigorously with the dilemmas of human life on the planet. Our willy-nilly destruction of the exquisite natural world is set against the efforts of some people to protect and care for the biology that sustains us. Most characters are torn by contradictions, both personal and political. A few are avid developers; others seek a balance between humanity and nature. Several touching love stories develop and falter among them. The true hero, Maddie Farley, is an inspiring and reluctant monkey-wrencher who lives most closely to the earth. The natural world she inhabits is invoked with poignant accuracy and love. Ultimately, nature itself blows up everyone's world in a startling forest fire that overpowers the land and the people, laying waste to most everything. The writing about this thrilling climatic event is terrifying, spellbinding, very intense and powerful. And then a miracle occurs. In the wreckage left behind, the author, who is no sentimental idealist or doomsday prophet, finds reason to hope. The story is engrossing, entertaining, and really makes us think. It's a fine addition to our best environmental and human-humane-literature. ABOUT THE AUTHOR: Susan Lang is the author of a trilogy of novels published by University of Nevada Press about a woman homesteading in the southwestern wilderness during the years 1929 to 1941.
