Aetherius Society,U.S. Paperback. Book Condition: new. BRAND NEW, Operation Space Power: The Solution to the Spiritual Energy Crisis, George King, On 28 May 1955, an announcement was made by the cosmic masters, through the unique Yogic abilities of the author, George King that there was an interplanetary satellite in orbit of this earth for a specified number of days each year. During this orbit and in the years to come, millions of units of powerful, uplifting and healing spiritual energies would be sent to all levels of life on the planet earth for the benefit of all life streams who wished to use this holy power. At the suggestion of the interplanetary cosmic masters, the author designed and helped to build a spiritual energy radiator so that, on command, we could activate this apparatus to supplement the spiritual energy already given to mankind by satellite No3. On 18 November 1959, this co-operation started in earnest! This is an amazing report, in details as accurate as we can make them, of our cooperation with this wonderful satellite for the past 28 years. You have never read a book like this one -- and you probably never will again! This book holds the key to the new age, which must be built on a firm spiritual footing, and it is the duty of all terrestrials, for their own sake, to use this powerful, magnetic, inspiring spiritual energy to help build this glorious new age.
