It was only natural that these changes would affect the traditional religious and social beliefs and conventions, as well. The conventional gender system with its strict hierarchy and role expectations was mostly still intact and sexuality and corporeality were considered to be taboo subjects. Nevertheless, it was exactly this attempt to avoid sexuality and gender topics which led to sometimes excessive discussions about these issues, for example the so called 'Great Evil' of prostitution and related to that the enforcement of the Contagious Disease Acts in the 1860s. These discussions, however, made many Victorians - for example the 'New Women' that formed the basis for the later on emerging feminism -...
